

CASE STUDY

Summary

Presently Karankumar is working in Kotak Foundation as business development executive. He earns 30,000/- Per month. Before joining Kotak, he was working in HDFC LIFE with a salary 18,000/- Karankumar was supported by Masoom Career Cell to do "Professional Program of Computer Application" from Aakar Institute. Karankumar is alumni of Dnyan Vikas Hindi Night School – Kurla. He has received support from Masoom during 8th to 10th grade. He always believed that "education is the only way for him to earn respect and upgrade his standard of living.

Family Background:

Karankumar's family is a native of Rajasthan but from the last 25 years they are residing in Mumbai. His father is a belt maker and earns Rupees 8,000 every month. Karankumar's mother is a home maker and helps Karankumar's father in his business. Karankumar's elder brother studied till 9th and now helps his father in business.

Masoom Intervention in Night School:

After completing his 7th standard Karankumar took admission in Gyan Vikas Hindi Night School, Kurla due to economic crisis in the family. From 8th standard he started studying in a night school and that is time when he came in contact with Masoom. Masoom provided him with books, study materials, career guidance, extra classes for 10th etc. After completing S.S.C Masoom's career cell enrolled Karankumar in Aakar Institute for a Professional Computer Course of which 90% of the fees were paid by Masoom.

His Dream:

He dreams of opening a travel company. Masoom will guide him if he wants to do a course in Travel and Tourism.

He Says:

He thanks Masoom and TCE for their support.
