# MASOOM KI KHABAR

## Good Luck students!

BY RAJESHWARI NARSIMHA, COMMUNICATIONS EXECUTIVE, MASOOM

3266 Masoom students are appearing for SSC board exam this year. As an organization working with them to prepare them for this day, we are equally nervous about the nearing examination dates.

A lot of hard work has gone around to prepare our students to sit confidently for the exams.

Conducting extra classes on Sundays, arranging for moderator sessions so they get the best guidance, distributing them preparatory materials has all been a part of the same.

I believe that a certificate does not define us who we are, but it surely can define who we will be. Passing the SSC exam with flying colours, is not only a way to secure better job for yourselves, but it also is a way to create an identity.

It is so overwhelming for us when the students come to us holding their passing certificate with an ear to ear smile on their face. We wish them all the best of luck for their examination.

# DIL SE THANKYOU!

## An evening to be grateful and thank our donors!

The month saw an array of events with our amazing donors. The events were loaded with conversations between our donors, students and various stakeholders such as the school headmasters, school leaders etc.

On 16th Feb we were graced by the presence of Mr. Hemal Mehta, ANZ and Mr. Hoshang Irani, Jewelex.

On 22nd Feb, we were fortunate to have Ms. Ruchi Khemka and Ms Kinjal Shah from Deutsche Bank in our midst.

On 25th Feb, we had a lively interaction with Ms. Toral Mehta from Dalal Family Foundation.

We are thankful to all the esteemed donors, who took out time from their busy schedule and interacted with our students, alumni and stakeholders. It meant a lot to us!

We hope to create many more such platforms to strengthen our relations.
