FROM THE CEO'S DESK...

I am excited to present the Annual Report for 2023-2024 on behalf of Masoom. It was a year marked by significant achievements, including the expansion of our flagship program, notable improvements in students' academic performances, support for students embarking on their entrepreneurial journeys, and the initiation of educational opportunities for the transgender community. We hope you enjoy reading this report.

Nikita Ketkar, CEO, Masoom

In the past year, our flagship night school Transformation Program (NSTP) has made significant progress, now reaching 98 schools in Maharashtra and benefitting approximately 9000 students. Masoom-operated Evening Learning Centres (ELCs) have expanded from 21 to 25 in Maharashtra, Gujarat, and Uttarakhand, providing valuable educational alternatives in areas with limited formal structures. Through partnerships, 430 students have been reintegrated into the formal education.

Our students performed exceptionally well in the Grade 10 Secondary School Certificate (SSC) Board Examinations. Amongst the 98 night schools supported by Masoom, there is an impressive overall SSC pass rate of 84%. Notably, 16 night schools achieved a 100% pass rate, with 11 schools exceeding a 90% pass percentage.

Our ELCs in Gujarat, Maharashtra, and Uttarakhand have continued to make a positive impact, supporting a total of 542 students who took the SSC board exam. We are pleased to share that 392 students successfully passed, resulting in an impressive 72% pass rate in Maharashtra and an impressive 82% in Gujarat ELC. This success can be attributed to the concerted efforts of all stakeholders, including headmasters, trustees, teachers, centre heads, government officials, and the students themselves. Additionally, 176 students from Uttarakhand ELCs have taken the National Institute of Open Schooling Examination, and their results are awaited at the end of June.

Our Career Cell contributed significantly to developing students' skills. A total of **700 students participated in skill development courses**, resulting in **178 successful job placements**. Masoom's Entrepreneurship Development Program supported aspiring entrepreneurs, resulting in the establishment of **30 successful enterprises**. The **Youth Ventures Fund** event organized by the 'Going to School' NGO **provided Rs. 54 lakhs to 14 female entrepreneurs** from night schools, enabling them to launch sustainable enterprises.

The **Tech-On-Wheels** initiative has expanded its reach to **2,303 students** in Maharashtra with its four buses. A generous donor has approved a new bus for the Pune region, which will begin operations in July 2024.

Masoom is pioneering an innovative initiative by establishing an ELC specifically for the transgender community in Mumbai. This progressive step aims to foster inclusivity in education and provide opportunities for individuals who have been historically marginalized.

We deeply appreciate the support and dedication of our donors, well-wishers, partners, and volunteers. We look forward to continuing our collaborative efforts in the upcoming year.

Sincerely,

Nikita Ketkar

CEO, Masoom

ABOUT MASOOM

Masoom was established in 2008 by Nikita Ketkar after her participatory research project unveiled the poor quality of education and lack of essential resources in the night schools of Mumbai. She established Masoom with the intention of helping self-motivated working students achieve their dreams of success in life through better education and job opportunities.

Nikita and her 300-member team are wholeheartedly dedicated to enhancing the quality of night school education through Masoom's flagship Night School Transformation Program (NSTP). The program takes a three-pronged approach, which includes building education infrastructure and inputs, capacity building for all stakeholders, and advocacy. Masoom started with just two schools and is currently working with 98 night schools across Mumbai, Pune, Ahmednagar, Sangli, Solapur, Satara, and Nagpur. Their goal is to expand to 120 night schools by 2027, impacting 12,000 night school students in Maharashtra.

Masoom has since added 3 verticals besides NSTP: Evening Learning Centers (ELCs), Tech On Wheels buses, and the Career Cell. ELCs enable out-of-school individuals to pursue academic aspirations, TOW buses impart IT courses, and the Career Cell provides career counselling, guidance, vocational skills training, and placements.

OUR GUIDING PRINCIPLES

Empower, strengthen, and transform night schools and set up Evening Learning Centers to ensure youth learn and earn better through better education and skilling opportunities.

Our Vision

Our Mission

Enable night school students and out-of-school dropout youth and adults to achieve their full potential through educational and policy support, leading to better skills and job opportunities.

Night schools do not have access to quality education, and dropout youth and adults do not have a platform to complete their grade 10 education.

Problem Statement

Theory of Change

Masoom has strengthened the night schools by providing academic and skilling support through its Night School Transformation program in Maharashtra and setting up Evening Learning Centers across the 3 states as an alternative model, enabling school dropouts and adults to complete their Grade 10 education.

OUR JOURNEY

2008

NSTP Pilot in 2 night schools in Mumbai

1

2009

NSTP scaled up to 6 night schools in Mumbai

2

2010

10 night schools

3

2011

20 night schools

4

2012

Career Cell launched

5

2013

30 night schools

6

2014

Skilling support provided to more than 450 students

7

2015

Tech on Wheels launched in Maharashtra with 1 bus

8

2016

Long Term education
Leadership Academy
launched, and NSTP
toolkit developed

2017

MOU signed with the
State Government of
Maharashtra to align
Masoom's grading tool
with Shaala Siddhi

10

2018

- Second TOW bus launched in Mumbai
- Expansion to 69 night schools in Pune, Ahmednagar, and Nagpur

2019

- MOU signed with the Government of Gujarat to set up ELCs in Ahmedabad
- 2 ELCs set up in Mumbai
- Child Protection Policy and Prevention of Sexual Harassment policy implemented

12

2020

- 85 night schools
- Online teaching during COVID-19
- Career Webinar

13

2021

14

- Third TOW bus launched in Nagpur
- 16 ELCs across Maharashtra and Gujarat
- Entrepreneurship program launched

15

2022

- Certified 'Great Place to Work'
- MOU with the Government of Uttarakhand to set up ELCs

2023

16

- 25 ELCs across Maharashtra, Gujarat and Uttarakhand
- 2 Pilot ELCs: An online ELC and a Grade 12 ELC
- 4 TOW buses
- 14 entrepreneurs received funding from Going to School NGO
- Placement Cell launched

17

2024

- MOU renewed with Government of Maharashtra
- ELC launched for queer community in Mumbai

NIGHT SCHOOL TRANSFORMATION PROGRAM

The marginalized youth in Mumbai face challenges that lead them to dropping out of school, including financial difficulties and limited access to educational resources. We are working hard to reintegrate these youth back into the educational system. These dedicated individuals, aged 14 to 30, strive to enhance their job opportunities through education. Masoom supports these students as they work towards their educational goals despite facing resource limitations.

There are almost 150+ night schools in Maharashtra, with around 80% of them situated within BMC jurisdiction. They are operated by private trusts, but unfortunately, these trusts often consider them a burden. This has led to inadequate funding and a lack of interest from both the state government and the trusts. As a result, there is a scarcity of basic educational resources, low academic achievement, and diminished teacher motivation.

Masoom's Night School Transformation Program is its highly successful flagship initiative. It is currently active in 98 night schools in Maharashtra and aims to expand to 161 schools by 2027, impacting 25,000 night school students in Maharashtra. We work closely with night schools to enhance their educational offerings and overall performance, ensuring students receive the best possible education.

NSTP

3 PRONGED MODEL

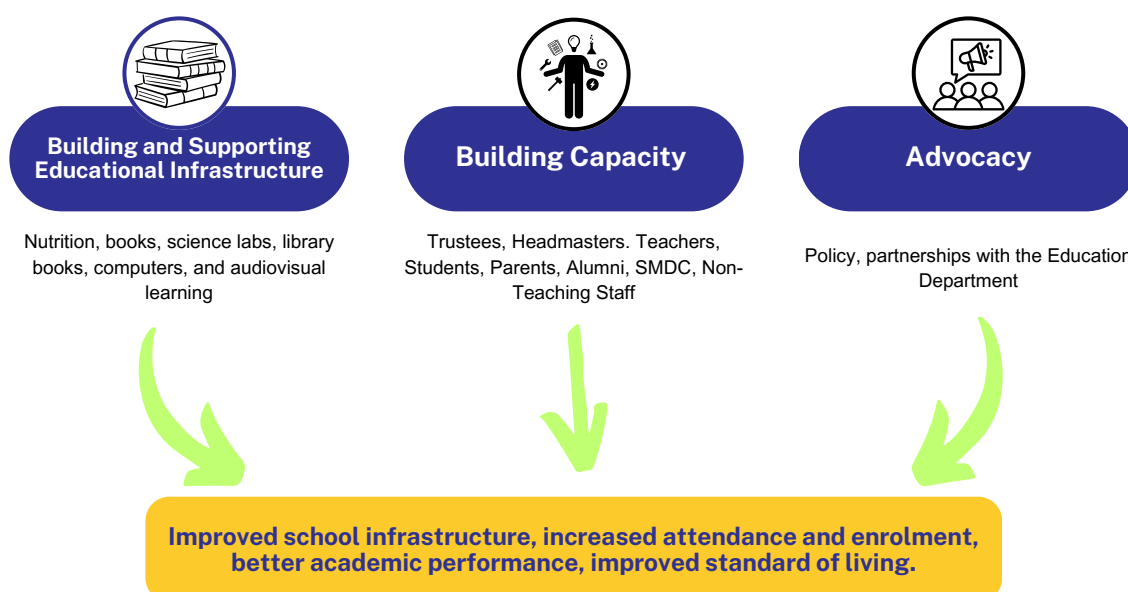

NSTP's three-pronged intervention model aims to help students "learn while they earn." Its mission is to enable night school students to achieve their full potential through educational and policy support.

1) **Building and Supporting Educational Infrastructure:** We provide resources like nutrition, books, mobile science labs, library books, computers, and audiovisual learning to ensure students have the tools they need for success.

2) **Building Capacity:** We work with school stakeholders to provide training sessions and workshops that promote quality education, raise resources, engage the community, and develop student skills. We aim to create a supportive learning environment for everyone involved.

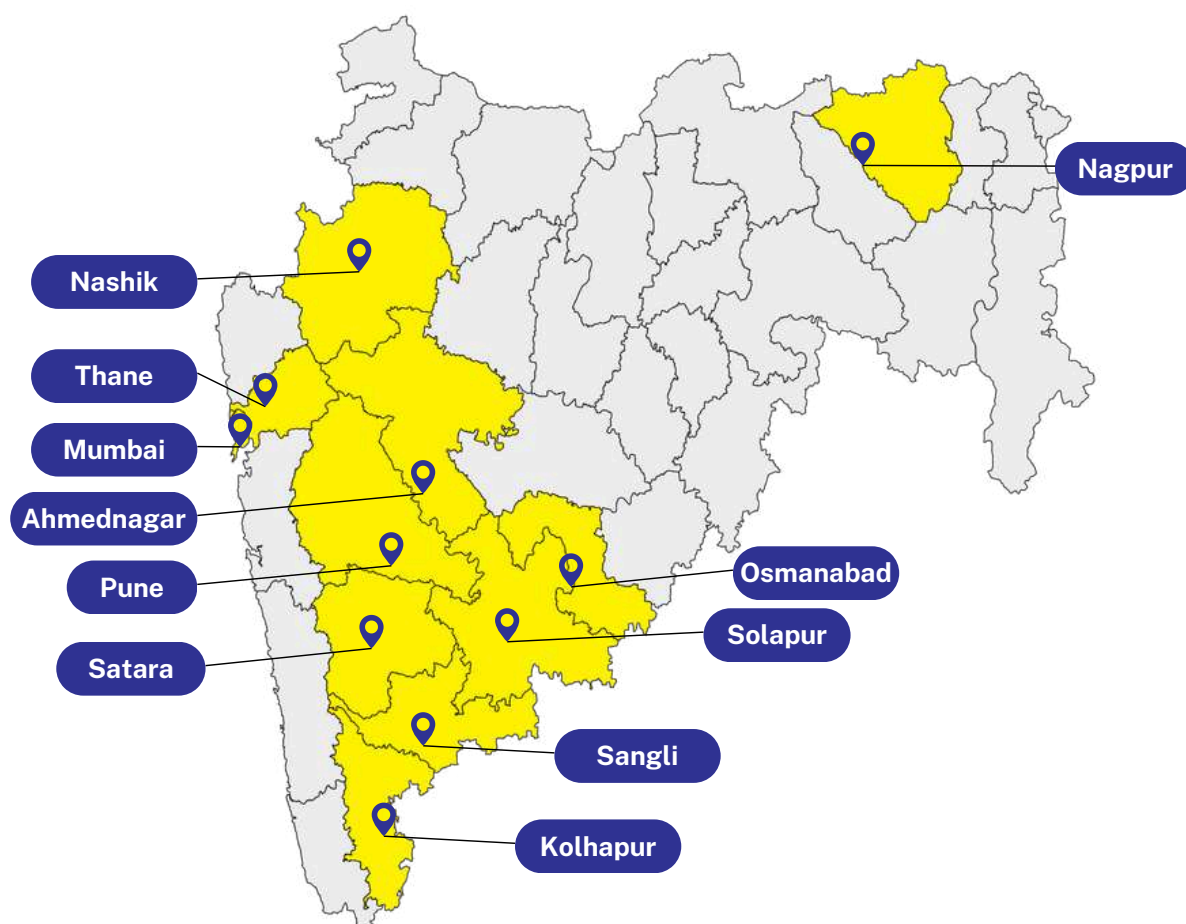

3) **Advocacy:** This involves raising awareness and advocating for policy-level changes to grant night schools the same privileges and facilities as day schools. These changes would enable more people to access education, which is crucial for personal and societal growth.

3 Pronged Model of NSTP

NSTP

COVERAGE IN MAHARASHTRA

NSTP Outreach 2023-24	
Total schools	98
Total students	5554
Male students	2853

Mediums of instruction	Marathi, English, Hindi, Kannada, and Urdu

NSTP

BUILDING AND SUPPORTING EDUCATIONAL INFRASTRUCTURE

Masoom provides essential support and resources to night schools, including basic amenities such as evening meals, notebooks, textbooks, mobile science labs, library books, computers, and materials for audiovisual learning. Moreover, 12 visually impaired students received Braille learning tools to ensure inclusive education. The average attendance across 98 night schools in 2023-24 was 52%.

Notebooks and Textbooks

In the academic year 2023-24, 26,108 notebooks were distributed to 98 night schools. Of these, 11,715 notebooks were donated by individual donors and School Management and Development Committees (SMDCs), while Masoom alone raised 14,393 notebooks.

Additionally, 2,781 textbooks for Grades 9 and 10 were jointly provided by Masoom, individual donors/SMDCs, and the book bank. This collective effort significantly improved students' access to educational materials, thereby enhancing their learning opportunities.

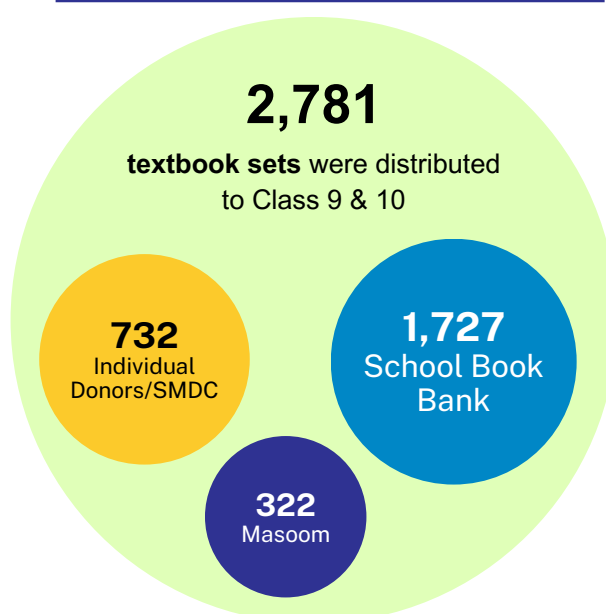

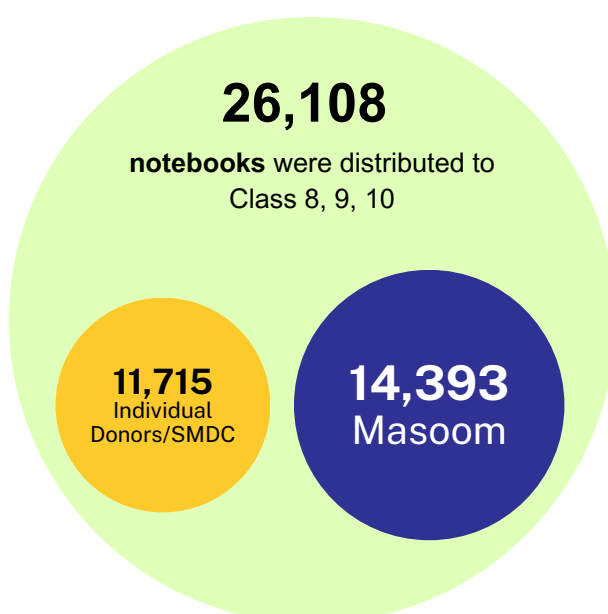

Hemlata Parab, Ratra Vidyalaya, Mumbai

“

"Masoom is very good. I have completed three years of schooling without spending a single rupee, as Masoom has provided all the educational materials each year."

- Hemlata Parab of Ratra Vidyalaya, Andheri, Mumbai

”

NSTP

BUILDING AND SUPPORTING EDUCATIONAL INFRASTRUCTURE

Nutrition

Masoom provided nutritious cooked food like pulao, dal khichdi, upma, poha, chana masala, lapsi, etc., and packaged dry snack packets to night school students in Mumbai and other parts of Maharashtra. The majority of these students head straight to night school after their daily wage jobs in the unorganized sector. This nutritional support enabled the students to better concentrate on their studies. Around 3,000 students benefited from this program.

“

"Thank you so much, Masoom, for providing the educational materials, teachers, and nutrition. I am truly very grateful for all the support you provide."

- Sonali Babasaheb Ghumare, Grade 10, Universal Night School, Dharavi, Mumbai

”

Sonali Babasaheb Ghumare

Concept Development Program (Science Practical)

Masoom has provided mobile science laboratories and materials to all its night schools, as they do not have access to traditional science laboratories. As many as 2,581 Concept Development Program (CDP) sessions were conducted, benefiting 3,933 students. The practical learning provided by these science labs helped students score higher marks in their SSC examinations.

Concept Development Program, Mulund Night School, Mumbai

E-learning Sessions

Audio-visual sessions enhance students' learning and improve their analytical thinking. A total of 8227 E-learning sessions were organized for all subjects, benefiting 3,933 students from 98 schools throughout the year.

E-learning Sessions, BVM Matunga Night School, Mumbai

NSTP

BUILDING CAPACITY

Masoom closely collaborates with various stakeholders in the schools, such as the School Management & Development Committee, trustees, headmasters, teachers, students, alumni, parents, and non-teaching staff. Masoom arranges training sessions and workshops for these stakeholders.

Common Headmaster's Meetings

In the academic year 2023-24, Masoom conducted three common headmasters' meetings. In these meetings, Masoom felicitated Headmasters who retired during this year, as well as those who made school classrooms available for extra classes on Sundays.

Date and Location	Participating Headmasters	Agenda	Outcome
June 27, 2023 and July 5, 2023 Mumbai	95	SSC Annual Plan Enrollment Drive Plan NSTP Annual Plan Career Cell Session Headmaster felicitation for schools that achieved 100% results	Next quarter's plans Enrollment Drive execution

NSTP ADVOCACY

Effective advocacy is a critical part of our work at Masoom, and we are continually addressing the challenges. We have been maintaining regular and productive dialogues with the BMC officials and state government representatives to foster strong partnerships.

We recently convened a meeting with the Additional Commissioner of Nagpur Municipal Corporation (NMC) to collaboratively develop and refine the plan for improving SSC results in NMC Nagpur.

Masoom has successfully secured the renewal of the Memorandum of Understanding (MoU) with the Government of Maharashtra for the next five years. This will allow Masoom to extend the NSTP program to all districts of Maharashtra, marking a significant step forward in our efforts to improve education across the state. We held meetings with the Assistant Secretary and Chief Secretary of the Education Department to bring this renewal to fruition. To address the need for additional educational support, we discussed the potential for holding extra classes on Sundays in a meeting with the Governor of Maharashtra.

Recognizing the importance of infrastructure, we met with Snehlata Dumare, the Administrative Officer to organize Sunday classes and approached the commissioner to secure an additional classroom for Masoom and Canara High School, which operates in the Kannada medium. Additionally, we successfully renewed the MoU with Maharashtra Education Department after productive discussions with the SCERT officer.

NSTP

GRADING OF SCHOOLS

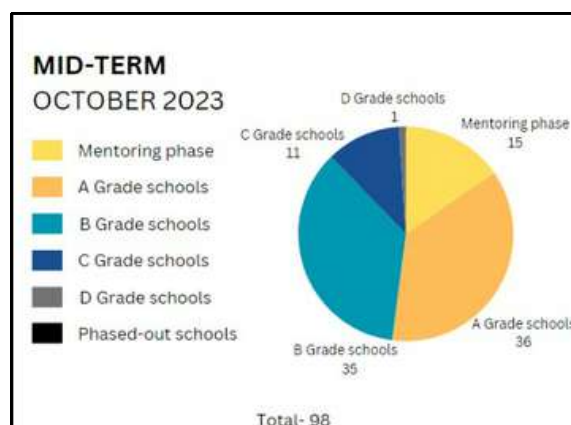

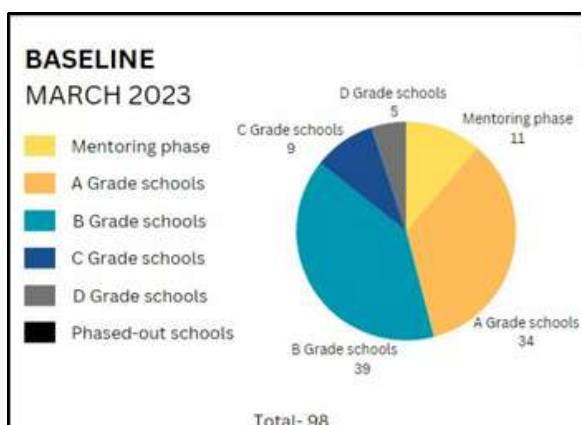

Masoom's grading tool categorizes schools into six levels—D, C, B, A, Mentoring Phase I and Mentoring Phase II—with the aim of eventually phasing them out of the grading system once they are self-sustainable for a consistent time period. Phased-out schools could potentially be taken off Masoom's list of night schools, although Masoom will continue to provide them with critical support. Masoom works on building the infrastructure and capacity of all stakeholders in the first three years. For the last two years Masoom monitors, handholds, and mentors the schools to maintain the self-sustainability they have achieved in the first three years. At the end of these 5 years, we hope all our schools will be in the Mentoring Phases.

We have aligned our grading tool with Shaala Siddhi, the grading tool of the Government of Maharashtra, which focuses on outcome-based parameters such as enrollment, attendance, and academic performance.

These are the parameters based on which schools are evaluated and grades assigned to them:

1. Enabling resources: Availability, adequacy, and usability
2. Teaching: Learning and assessment
3. Learners' progress, attainment, and development
4. School leadership and management
5. Inclusion, health, and safety
6. Productive community participation (this component is as per Shaala Siddhi)

Note: Phased-out schools could potentially be taken off Masoom's list of night schools, although Masoom will continue to provide them with critical support.

Identification of Role Model Schools

We have identified 15 schools as role models based on five parameters: student enrollment and attendance, SMDC, strength of alumni, and improvement in SSC results. These schools have performed well on these criteria throughout the last year. We will closely monitor their progress in the coming year. After that, they will be recognized as the gold standard and will act as mentors for other schools.

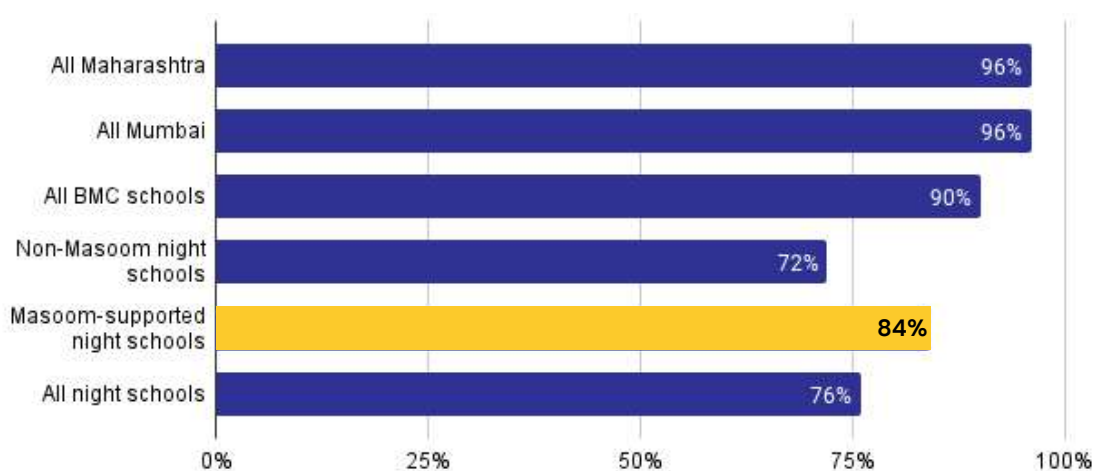

NSTP

SSC EXAMINATIONS: RESULTS AND ACHIEVEMENTS

The Maharashtra Secondary School Certificate (SSC) results were declared in May 2024. The pass percentage for Masoom-associated night schools was 84%, as 1765 students appeared for the exams, of which 1481 passed.

Result 2023-24 (%)

Masoom is proud to announce that 16 schools have secured a 100% result, and 11 schools have secured a pass percentage of 90%

Our Achievers: 2023 - 2024

1765 students appeared for the exam

1481 students passed the exam

49 students secured a distinction

287 students secured first class

NSTP

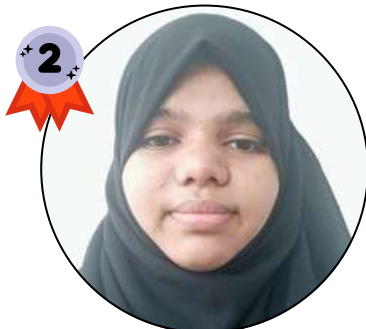

SSC EXAMINATIONS: RESULTS AND ACHIEVEMENTS

Chanchal Yadav

Rajhans Hindi Night High School, Dombivli

Chanchal secured the first rank with a pass percentage of 89%. She secured 444/ 500.

Shifa Tamboli,

People English Night High School, Byculla

Shifa came second with an overall pass percentage of 84%. She secured 420/ 500.

Avdharaj Harishchandra

People English Night High School, Byculla

Avdharaj came third with a pass percentage of 82%. He secured 412/ 500.

NMC Day School Results

With the support of HCL Foundation we have implemented an SSC result improvement program in Nagpur Municipal Corporation operated day schools. A total of 1,241 students from 28 NMC Schools appeared for the SSC exam, with 1,087 students passing, achieving a remarkable 91% pass rate.

NSTP

SSC PROGRAM

Moderator Sessions

Masoom conducted 451 moderator sessions from December 2023 to March 2024 in the schools they support. The purpose of these sessions was to help students prepare for their board exams. The focus was on time management, understanding the SSC marking system, answering techniques, and using educational videos as a studying methodology. These sessions significantly contributed to the students' overall academic performance.

Moderator Session

Extra Classes

Extra Classes on Sundays

Masoom organized extra virtual classes for SSC exam preparation, covering maths, science, English, and social science on public holidays and Sundays. The 4-hour classes were led by school leaders, teachers, and subject experts, and on average, 1050 students attended each class, totaling to 884 expert teacher sessions. This levelled up their understanding and boosted their confidence.

Focus Sessions

On Sunday, February 18 and 25, 2024, sessions were conducted in four centers to assist 168 struggling students. The students received practice in solving examination papers and were also provided with a light lunch. These sessions helped improve their chances of passing exams in difficult subjects.

Focus Session

NSTP

SSC PROGRAM

Appointment of school leaders and backup teachers

Teaching at most night schools is under stress due to a shortage of teachers, which leads to an incomplete syllabus and a decrease in the quality of education. This has a direct impact on students' results, as they lose interest in attending school regularly and their SSC pass percentage falls. In response to the problem of teacher non-availability, Masoom appointed 92 school leaders and 20 subject teachers to cover up the gap in teaching.

Class Teacher Meeting

On December 22, 2023, the Masoom team met with 62 SSC class teachers, encouraging them to put in more effort to improve the performance of SSC exam-appearing students. This meeting was crucial for the school to find ways to achieve the targets set by Masoom.

Class Teacher Meeting

Mentor Sessions

The mentors, who are subject experts, provided guidance on innovative teaching ideas for the new syllabus, discussed exam paper patterns, offered tips to help students write correct answers and achieve high scores, and coached students on using educational videos for learning. 280+ teachers attended the 5 mentor sessions conducted in August and September 2023 for English, Math, Science, Social Science, and Marathi.

NSTP SSC PROGRAM

Preliminary Exam

Open-book and preliminary examinations

To help students better prepare for the SSC board exams, Masoom conducted an open-book exam in December 2023 and a preliminary exam in January 2024. Masoom provided the question sets, answer sheets, and supplements for these exams, thereby boosting their preparedness.

Exam Kit Distribution

Masoom distributed 1388 exam kits to the students. This included a writing pad, a compass box, a ruler, and a pouch.

Exam Kit Distribution

Worksheet Program

Masoom introduced a worksheet program through Google forms and hardcopies for Grade 10 students, offering 36 worksheets with 20 multiple-choice questions in Marathi, Hindi, English, Urdu, and Kannada languages. The students were very grateful for the consistent worksheet practice.

21 Apekshit sets distribution

21 Apekshit Sets

Masoom provided 1794 students with Navneet 21 Apekshit books, and teachers ensured regular and rigorous practice using these books.

Classes for High-Achievers

These classes were designed to help high-achieving students score over 60% in the Grade 10 SSC board exams. Additional online batches were organized for bright students from Marathi and Hindi mediums. Approximately 72 students attended the classes, which ran from September to March 2024. These classes upgraded their performance and confidence.

NSTP

EVENTS AND ACTIVITIES

Celebrating Students' Success

On August 11, 2023, Masoom celebrated the 100% pass rate of Grade 10 students. Ms. Ruchi Khemka from Deutsche Bank, as well as other esteemed guests, including Mr. Hemang Jangla from Havemore Insurance Brokers, Mr. Suryakant Deshpande, a Masoom Trustee, and Ms. Nikita Mascarenhas and Ms. Preeti Laad from Morgan Stanley graced the event and presented the awards to the students.

We also organized an Annual Event in Pune to celebrate the students who passed the SSC Exam in March 2023. Mrs. Anuradha Oak, Secretary of the SSC Board, and Ms. Dipanwita Sengupta, Manager, CSR Grants, Yardi Software India Private Limited, graced the event as Chief Guest and Guest of Honor, respectively. The top three students from all ELCs in Pune and two night schools were honored. Special recognition was given to 3 ELCs from Pune, namely, Nirman ELC, Kasewadi ELC, and Bhosari ELC teams for achieving 100% results.

Ms. Ruchi Khemka, Head, Corporate Social Responsibility, Deutsche Bank felicitating our meritorious student

Mr. Hemang Jangla, Social Worker & Founder, Havemore Insurance Broker felicitating our meritorious students.

Annual Sports Day

Masoom organized its Annual Inter-Night School Sports Event on December 14-16, 2023. Over 1,300 students from 77 night schools across Mumbai participated in Kabaddi, Dodgeball, and running competitions. A similar event was also held at schools in Pune, with two schools participating.

Environmental Awareness Sessions

Masoom is committed to its Environmental policy, which is supported by Educo and the Barcelona Council, and has received contributions from the environmentalist Dr. Dharmendra Kar. In November 2023, Masoom held an environmental module in the schools. As a result, students pledged to reduce their fireworks expenditure by 30% compared to the previous year, thereby fostering environmental awareness and sustainable practices among the students.

Environment session at Agarkar Night School, Mumbai

Environment session at Meenatai Kurude Girls' Night School, Mumbai

NSTP

EVENTS AND ACTIVITIES

Visit to the Nehru Science Center

A field visit was organized to the Nehru Science Center in Mumbai for 450 students from grades 8 and 9 students from night schools supported by our donors, Deutsche Bank and Publicis Groupe. The staff volunteers from these organizations accompanied the students. The field trip improved science learning due to the audio-visual activities and hands-on experience, elevating their understanding to a new level.

Field Visit to Nehru Science Center

Education Resource Group (ERG)

The Education Resource Group (ERG), supported by Wipro, launched a pilot initiative in two night schools and one Evening Learning Center (ELC). This small-scale implementation aimed to refine teaching methods and enhance the overall learning experience.

Experienced educators in the ERG collaborated with teachers to develop and apply improved pedagogical approaches. They documented their findings, potentially benefiting the broader education community. Through targeted resources, teacher training, and innovative learning environments, this pilot project sought to create a meaningful impact on night school education, albeit on a limited scale initially.

NSTP

EVENTS AND ACTIVITIES

Visually Challenged Student's Program

In 2023-24, 11 visually impaired students were enrolled in Maratha Mandir Night School in Worli, Mumbai. Masoom supports the school and caters to visually impaired students, many from rural areas. The government provides them with a stipend and support for skill training. The Masoom team onboarded these students and briefed them on how to complete their SSC examinations.

Provision of Scribes

This year, seven visually impaired students took their SSC examination. Masoom provided them with scribes and distributed walking sticks to them. Additionally, Masoom organized a workshop on bookbinding techniques for Grade 10 students. We have appointed Ms. Jayashree Rane, as a special teacher for visually challenged students. She teaches the syllabus and conducts activities such as sports and braille writing. We are proud to share that all seven students passed the SSC Examinations conducted in March 2024

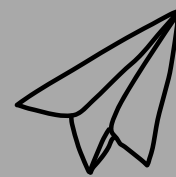

Sushant Jadhav, Chetan Patil, Sahil Arile and Swapnil Nawale receiving walking sticks

Kiran Tandle receiving a walking stick

CAREER CELL

In 2012, Masoom established a Career Cell as part of the broader Night School Transformation Program. The primary objective was to offer career guidance and scholarships to night school students who had completed Grade 10. These students needed greater exposure to diverse career opportunities and financial support to pursue short—and long-term courses for upskilling, developing technical and entrepreneurial skills, or even launching their small businesses. Based on the results of their interest mapping, the Career Cell directs the students toward suitable courses.

Recognizing the essential need for financial support, it became evident that students, regardless of their academic performance, require assistance to pursue vocational training or higher education. By providing scholarships, Masoom empowers deserving students to enroll in short-term (1-12 months) vocational and skill-building courses and long-term higher education or professional education (more than two years), thus enabling them to achieve their full potential. Those interested in entrepreneurship are given support and seed funding for their ventures.

7131 Students given career guidance

1231 students attended across 28 webinars

537 Short-term skilling program scholarships given

160 Long-term skilling program scholarships given

64 participants in Entrepreneurship Development Program

32 Placement agencies attended our job fairs

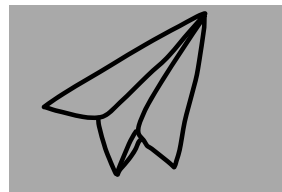

178 Students successfully placed

35 Joint Committee Meetings with partner Institutes

54 Lakhs funding disbursed to 14 females through Going to School NGO

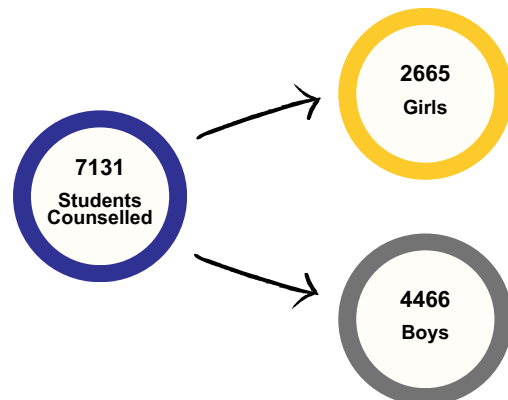

CAREER CELL IN ACTION

Career Guidance to night school, ELC and night college students

For students from night schools, ELCs, night colleges; the Career Cell offers guidance encompassing in-school sessions, personalized counseling, telephone support, a career manual, and interest mapping. The guidance team comprises the Masoom resource team, as well as external counselors. This year, we provided counseling to 7131 students.

Career Guidance

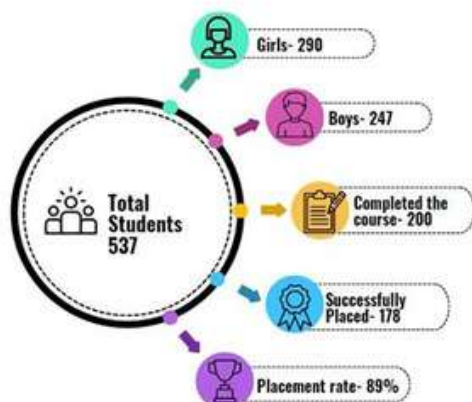

Short term skilling course

Short-term skill-building

Short-term courses, lasting anywhere from 1 to 12 months, are tailored to develop students' skills in vocations like nursing, fashion design, beauty parlor services, fire and safety management, and cargo handling and enhance their employment opportunities. Masoom has initiated a scholarship program to support deserving students. Masoom awarded scholarships to 537 students

Jyoti Bhiganiya

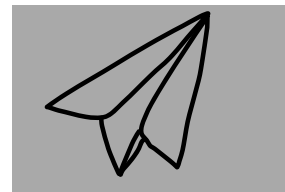

“

Jyoti successfully obtained a 90% short-term scholarship for her Certificate in Advanced Accounting at Disha Computer Institute. She is currently employed as an accountant at IndusInd Bank and earns a monthly salary of Rs. 20,000. “Masoom, thank you so much. With your guidance and support, I could do the course, and I am able to contribute to my family.”

- Jyoti Ramesh Bhiganiya, BVM Night School, Andheri, the receiver of a short-term scholarship

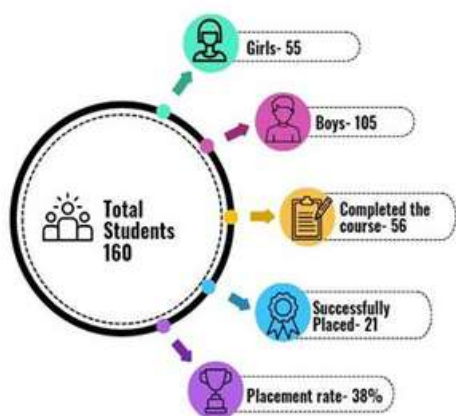

”

CAREER CELL IN ACTION

Long-term skill building

Deserving students interested in pursuing long-term professional courses like BBA, CA, MBA, and MSW were put in touch with professional institutes that offer these courses. This year, 160 students received support for long-term professional courses.

Long Term Skilling

“Masoom's Career Cell awarded Anil a 75% scholarship for his MBA studies. Following his graduation, he secured a position as an Administrative Executive at IGNOU, where he now earns a monthly salary of 25,000. “I am now an independent person and can support my family as well.”

- Anil Gangaram Pasi, Lal Bahadur Shastri Night School, Chembur, Mumbai, the receiver of a long-term scholarship”

Anil Pasi

Entrepreneurship Development Program

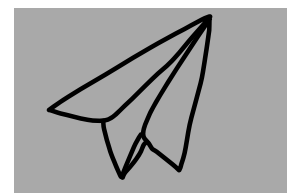

Masoom has developed an in-house incubation program for entrepreneurs, aiming to cultivate the skills of aspiring business owners and enhance the abilities of those with existing small-scale enterprises. Upon completion of the program, Masoom plans to provide participants with seed capital, with the requirement for beneficiaries to contribute 10% of the funds.

To date, we have supported 64 students (20 boys and 44 girls) to kickstart various businesses ranging from e-services, photography, vada pav stalls, beauty parlors, garment shops, tailoring services, poultry farms, to electrician services.

The **Youth Ventures Fund** event, organized by the Going to School in association with Deutsche Bank and JP Morgan, resulted in 14 female entrepreneurs receiving Rs. 54 lakhs in support to set up their green enterprises.

CAREER CELL IN ACTION

Poonam Jagdane

“

Under the Entrepreneurship Development Program, Poonam was supported by the Masoom Career Cell with a 90% scholarship for a course in makeup artistry. She received a loan of 1,00,000, and she has opened a beauty parlor in Chembur.

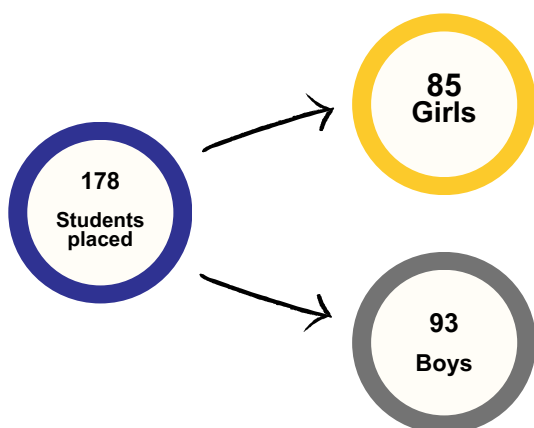

“Masoom is a great support for me and Night School students. Thank you, Masoom, for your kind support.”

- Poonam Manohar Jagdane, an entrepreneur,
Maharashtra Kurla Night School, Kurla

”

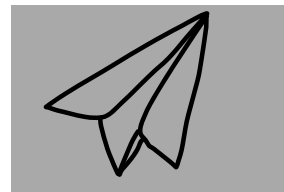

Job Placements

This year, the Career Cell organized job fairs for students upon completion of their courses, and an impressive 32 placement agencies took part in the events. As a result, 178 students were able to secure positions in different companies, effectively doubling their monthly pay packages from Rs. 6,000 to Rs. 12,000. This initiative provided valuable employment opportunities for students and significantly improved their financial prospects.

CAREER CELL IN ACTION

Webinars

The Career Cell successfully organized a total of 28 webinars, which effectively reached and engaged 1231 students with participation from 28 institutes. The Career Cell team demonstrated proactive engagement by leveraging popular social media platforms, including Facebook and WhatsApp, to raise awareness and mobilize participation. Consequently, the students who took part in these webinars experienced enhanced insights into fields related to their area of interest and aptitude.

Seminar

Joint Committee Meetings (JCMs) with Institute Partners

During the joint committee meetings, we delved into the students' training progress reports, attendance, and placement details and shared several success stories. We also discussed the upcoming months' processes and the new challenges faced by the institute. A total of 35 joint committee meetings took place throughout the year.

Joint Committee Meeting

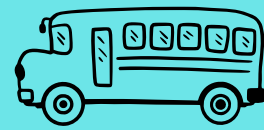

Training Institute Visits

The Career Cell team visited 35 institutes to collaborate, monitor progress, and coordinate with students and staff regarding course completion, challenges, placement opportunities, and institute mapping. These institute visits are important to track students' attendance, ensuring they regularly attend the course and benefit from it. On an average, students' attendance was 90%.

Training Institute Visits

TECH-ON-WHEELS

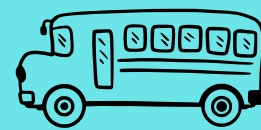

“Bringing technology to people through mobile buses transforms communities, bridging the digital divide and empowering individuals with knowledge and opportunities, no matter where they live” – Nikita Ketkar, CEO Masoom

Masoom’s Tech On Wheels (TOW) initiative aims to provide essential technological courses directly to student communities through specially designed buses. These buses are equipped with a range of technological tools, including computers, internet access, and educational software. They travel to various locations to offer access to technology and digital literacy training to individuals who may not have easy access otherwise. Each bus can accommodate 28 students and two trainers at a time, providing computer access to up to 120 students per week.

Expanding on its success, Masoom currently operates two TOW buses in Mumbai and one in Nagpur. The Nagpur bus covers Ahmednagar as well. These buses cater to night and day school students attending municipal schools. The buses drive between schools, allowing students to learn basic computer skills, digital literacy, web designing, graphic design, mobile repair, and financial literacy. In this financial year a total of 2303 students benefited from these courses. Buses undergo regular maintenance and are equipped with the latest CCTV cameras, generators, inverters, fans and air-conditioners. The TOW staff supervises the maintenance of the bus. A new bus is going to be launched in Pune by July 2024.

”

Pramod Kumar Mukhiya

TECH-ON-WHEELS ON THE ROAD TO SUCCESS

- Over 2303 students have been covered to date.
- TOW experience invigorated students to advance their careers in the IT industry.
- The TOW buses were used for enrollment drives in Ahmednagar, Mumbai and Nagpur.
- In Ahmednagar, the TOW team conducted sessions with 115 participants from the night school and community in basic computer and digital literacy
- We also deployed the TOW bus to provide internet safety classes for senior citizens, which were supported by Lokmanya Jan Seva Sangh members.
- We are excited to share that we plan to introduce new courses aimed at enhancing students' competitiveness in digital software and hardware. These courses will cover mobile repair, robotics, and internet security and will be available in 2024-25.

“

“When I first saw the TOW bus outside our school, I was very curious to join the courses. With the help of Masoom and the TOW team, I have learned basic computers like MS Word, MS Excel, and MS PowerPoint. Thank you so much Masoom and TOW team.”

- Nikita Satish Kamble, Student, Dnyan Vikas Night School, Sion, Mumbai

”

Nikita Satish Kamble

EVENING LEARNING CENTERS

An Alternate Platform

Masoom has taken on the challenge of reintegrating out-of-school students by establishing an alternate education model. Evening Learning Centers (ELCs) are viable alternatives to traditional night schools in areas lacking formal educational structures. Through strategic partnerships at a local level, Masoom aims to facilitate their re-enrollment, completion of formal secondary education, and acquisition of valuable skills to enhance their career opportunities.

The ELC model reflects Masoom's commitment to reaching over 35,000 out-of-school youth, adolescents, and adults in every state of India by 2035, focusing on the 14-year-old and above age group.

By successfully passing the Grade 10 exams, these students will experience a sense of achievement and gain improved income and career growth opportunities. The model can be operated with both government partnerships and community partnerships

ELC Student profile

- 14-30 years
- Female: Male = 70:30
- Belonging to slum pockets
- Men employed as delivery boys, housekeepers
- Women employed as maids, housekeepers

ELC

SSC RESULTS

Twenty-five ELCs are operational in the states of Maharashtra, Gujarat, and Uttarakhand, catering to **1732** students.

States	Gujarat	Maharashtra	Uttarakhand	Total
Number of ELCs	5	15	5	25
Number of students enrolled	372	910	450	1732

A total of 892 drop-out students appeared for the SSC exam with ELC support across Maharashtra and Gujarat, of which 593 students passed. The pass percentage of ELCs across all locations is 66%.

- 5** ELCs in Gujarat
- 174** Number of students who appeared for the SSC exams
- 143** Number of students who passed the SSC exams
- 82%** SSC success rate of ELC students
- 31%** SSC success rate of private students in Gujarat

- 14** ELCs in Maharashtra (Excluding the grade 12 ELC)
- 542** Number of students who appeared for the SSC exams
- 392** Number of students who passed the SSC exams
- 72%** SSC success rate of ELC students
- 80%** SSC success rate of private students in Maharashtra

- 5** ELCs in Uttarakhand
- 176** Number of students who appeared for the SSC exams
- 58** Number of students who passed the SSC exams
- 33%** SSC success rate of ELC students
- 35%** SSC success rate of private students in Uttarakhand

ELC

SSC RESULTS

- Two pilot ELC programs were pioneered this year
 - An **Online ELC** to accommodate students who were unable to attend classes regularly. 69 students appeared for the SSC exam, and the pass percentage was 75%.
 - A **Grade 12 ELC in Pune** for alumni students who have passed Grade 10 and wish to appear for their Grade 12 exams. This ELC had a pass percentage of 92%.

21 Apekshit Set distribution at

Advocacy for ELC

We are working with the education department to establish a policy allowing out-of-school students to appear for the SSC exam as private candidates. We proposed replicating a system similar to form No. 17 in Maharashtra for dropouts, enabling them to appear in the SSC exam.

Additionally, we are urging the government to consider reducing the examination fees of Rs. 6000 to make the exams more accessible to drop-out students. This amount is significantly high for individuals from coming economically weaker backgrounds.

We met with the State Project Director & Commissioner Primary Education, **Dr. Ratankanvar Gadhavicharan** in Gandhinagar, Gujarat, to discuss issues such as providing textbooks, teachers, and classrooms for Gujarat ELCs. We also discussed reducing the difficulty level of question papers with the Secretary. As a result, the difficulty level of math and science question papers has been decreased.

EVENTS AND ACTIVITIES

Diwali Exhibition

Masoom organized a Diwali Exhibition at multiple locations, including its head office, headmasters' meeting, and Wipro, Deutsche Bank, and STCI campuses. Six stallholders showcased a wide variety of handmade festival products, such as agarbatti, diyas, chocolates, candles, dried foods, arts and crafts, and cloth bags. The exhibition drew around 2206 visitors during the Diwali festival and generated a turnover of Rs. 50,000.

Dil Se

The Dil Se event was organized for donors to meet beneficiary students and stakeholders of night schools in person. Donors facilitated a discussion between the students and stakeholders. Representatives from ANZ Bank, Bajaj, Ajuntament de Barcelona, Morgan Stanley, Deutsche Bank, Elkem, Yardi, Windlass, and CMS were present. We are grateful to the donors who attended the event and interacted with our students, alumni, and stakeholders.

Dil Se Event- Ms. Ruchi Khemka, Head, Corporate Social Responsibility, Deutsche Bank and Ms. Nikita Ketkar, CEO Masoom with the Students' Panel

Dil Se event with our donor Ajuntament de Barcelona and Ms. Christina Velazquez their representative alongside our Students' Panel

WORDS OF ENDORSEMENT

Rahul and Urmila Goswami, a husband and wife team from Yerwada ELC, Pune have passed their SSC exam after being away from school for 15-20 years. Urmila, a housekeeper, scored 81%, and Rahul, a liftman, scored 41%. Now, they aim to pursue higher studies, showing that it's never too late to follow one's dreams.

"Thank you, Masoom, for making this possible."

–Rahul and Urmila Goswami
Yerwada ELC, Pune, Maharashtra

Coming from a financially unstable family, completing my education was a dream for me. But with the help of Masoom, I have secured 89%. I have achieved more than I ever thought possible. Thank you so much, Masoom, for giving me wings to dream big."

– Chanchal Yadav,
Rajhans Hindi Night High School, Dombivli, Mumbai

To prepare students for the 10th standard, Masoom provides our teachers with intensive training. Every year, they organize a two-day residential training program for principals to enhance teaching quality and improve school management.

They provide students with educational resources and special subject teachers and monitor their attendance. They also assist with the admission process by conducting surveys and ensuring regular visits to address any problems. As a result the pass percentage of these schools has been increasing day by day"

–Shriniwas Dattatray Chippa,
Headmaster, Ramakrishnapan Bet Ratri Prashala, Solapur

WORDS OF ENDORSEMENT

"Thanks to Masoom, my lifelong dream of education finally became a reality. Despite getting married young, I never gave up on the idea of learning. Today, with 83% in Class 10, I'm filled with joy and gratitude. Their career guidance sessions have been invaluable, setting us on paths to success. I'm deeply thankful for their genuine commitment to making a difference in society's children."

– Swati Chopade
Bhosari, ELC, Pune

Today, many educational institutions focus solely on teaching students who are already strong academically and easy to instruct to make their institution appear successful. There is often a lack of willingness to teach students who struggle academically, come from disadvantaged economic and social backgrounds, and are disconnected from mainstream education. Masoom serves as a blessing for such students, helping them achieve their dreams and providing opportunities to integrate into mainstream education. It unlocks the doors to success through the power of education and the magic of the pen."

– Husen M. Ghanchi, Center Head for Juhapura ELC,
Ahmedabad

"Volunteering in the Career Cell department at Masoom has been incredibly rewarding. I've expanded my knowledge about various career paths and learned about the importance of equal educational opportunities. Masoom's commitment to education equality has deeply resonated with me, and I'm proud to be part of this impactful organization."

–Pratham Watamble,
Career Cell Volunteer

Auditor's Report

Masoom
For the year ended 31st March 2024

(Annexure to report under section 33(2) and rule 19 of The Maharashtra Public Trusts Act, 1950)

We have audited the attached Balance Sheet of **Masoom** [the Trust] as at 31st **March 2024**, and the Income and Expenditure Accounts of the Trust for the year ended on that date, annexed hereto, and have to report thereon as follows:-

1. These financial statements are the responsibility of the Trust's Management. Our responsibility is to express an opinion on this financial statement based on our audit.
2. We have conducted our audit in accordance with the auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit includes examining on a test-check basis, the evidence supporting the amount and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. Further to our comments in the report attached in the prescribed form under the relevant section and rules of the Maharashtra Public Trusts Act and subject to the Notes forming part of the Accounts (Attached to the Balance sheet and the Income and Expenditure Accounts) we report as under:
 - 3.1 We have obtained all the information and explanation which to the best of our knowledge and belief were necessary for the purpose of our audit:
 - 3.2 In our opinion, proper books of accounts as required by the law have been kept by the trust so far as appears from our examination of those books:
 - 3.3 The Balance sheet and the Income and Expenditure Accounts dealt with by this report are in agreement with the Books of Accounts:
 - 3.4 The Balance sheet and Income and Expenditure dealt with by this report comply with the accounting standards to the extent applicable.
4. Subject to the matter referred to in paragraphs 2 & 3 above, in our opinion and to the best of our information and according to the explanation given to us, the said accounts, read together with the significant Accounting Policies and Notes to Accounts and other notes and remarks appearing elsewhere in the accounts and remarks attached herewith give the information

MASOOM**SIGNIFICANT ACCOUNTING POLICIES AND NOTES FORMING PART OF THE BALANCE SHEET AS AT 31ST MARCH, 2024 AND THE PROFIT AND LOSS ACCOUNT FOR THE YEAR ENDED ON THAT DATE****1. BACKGROUND:**

M/s Masoom is a charitable trust registered under the Maharashtra Public Trusts Act 1950 vide Regn.No E-24715 dated 14th January, 2008 having PAN AACTM1118K

Further, the trust has obtained a registration certificate u/s. 12A(1) and u/s 80G(5) of the Income Tax Act 1961 dated 28th May, 2021 vide UR No. AACTM1118KF20214.

Trust has also obtained FCRA registration with registration number 083781290 vide order dated 17th February, 2022.

The Trust's primary focus is to establish and maintain after school resource centers, night schools and day care creches.

2. SIGNIFICANT ACCOUNTING POLICIES ADOPTED IN THE PREPARATION AND PRESENTATION OF THE ACCOUNTS :-**a) BASIS OF ACCOUNTING:**

These financial statements are prepared under historical cost convention on an accrual basis.

b) USE OF ESTIMATES:

The preparation of the financial statements in conformity with the generally accepted accounting principles requires the trustees to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from the estimates. Any revision to accounting estimates is recognized prospectively in current or future periods.

c) REVENUE RECOGNITION:

Contribution received from the donor is accounted as a corpus donation where the intention of the donor has been specified and a letter to that effect is received from the donor. Otherwise the contribution is treated as ordinary donation and accounted for on the date of receipt.

d) EXPENSES:

All expenses are accounted for on accrual basis except those with significant uncertainties.

e) FIXED ASSETS & DEPRECIATION:

Fixed Assets are stated at cost less depreciation. Depreciation on Fixed assets are provided on written down value method under section 32 of the Income tax Act, 1961 and in accordance with and at the rates specified in New Appendix I of the Income tax rules, w.e.f. 02/04/2005.

f) Current year figures have been regrouped and rearranged whenever necessary and rounded off upto nearest rupee.

3. DISTRIBUTION OF STAFF ACCORDING TO SALARY LEVELS:

Slab of gross salary (in Rs.) plus benefits paid to staff (per month)	Male staff	Female staff	Total staff
Less than 5000	-	-	0
5,001 – 10,000	4	5	9
10,001 – 25,000	134	54	188
25,001 – 50,000	18	7	25
50,001 – 1,00,000	8	0	8
Greater than 1,00,000	1	1	2

4. STAFF REMUNERATION PAID DURING FINANCIAL YEAR 2023-24

Head of the organisation: (including honorarium)	Rs. 39,67,500

GOVERNANCE

Nikita Ketkar, Founder and CEO

Nikita is a postgraduate in political science from Mumbai University. She has an exciting and varied background. She worked as a journalist, a lecturer, and a social worker before qualifying for the Indian Civil Services. Nikita led a two-year intensive, participatory research project into the educational challenges faced by night school students, which laid the groundwork for the birth of Masoom. She worked with several NGOs in the educational sector before establishing Masoom in 2008.

Atul Gandhi

Atul has a M.Sc. in Statistics and a Masters Ph.D. in Population Studies from the International Institute for Population Sciences (IIPS), Mumbai. Atul comes with over 15 years of experience in the development sector. Before joining EdelGive Foundation as a COO, he worked with organizations like Mahatma Gandhi Institute of Medical Sciences, Pathfinder International, and TISS on programs supported by USAID, BMGF, and The Global Fund to Fight AIDS, TB, and Malaria in the areas of public health. He has also supported several organizations in developing M&E plans, designing computerized MIS applications, conducting baselines and mid-term or end-line evaluations.

Vineet V Ketkar

Vineet is a Chartered Accountant who worked with numerous corporate organizations before establishing his own practice. He has been invaluable in establishing and developing Masoom's accounting systems.

Dr. Chandrashekhar Bangargi

Dr. Bangargi is a medical health practitioner. He offers a wealth of experience and support regarding health issues.

Suryakant Yashwant Deshpande

Suryakant works with Navneet Publications as an academic consultant. He is the former headmaster of KMS Night School, Parel in Mumbai.
