SSC & HSC Board Exam 2024-25

Celebrating our Night School & ELC Champions!

As the academic year comes to a close, we proudly celebrate the determination and resilience of our students who appeared for their Grade 10 and Grade 12 Exams. Here's a look at the total number of students from Masoom's programs who took this important step forward.

Night School

Grade 10- 100 schools | 1633 students

Evening Learning Centers

Grade 10- 25 ELCs | 793 students

Grade 12- 2 ELCs | 97 students

Night School Transformation Program

NSTP Enrollment Drive Progress – April 2025

Masoom's Night School Transformation Program (NSTP) made strong headway in Phase I of its 2025 Enrollment Drive this April. Through a mix of door-to-door outreach, community engagement, and active participation from alumni and volunteers, the campaign helped raise awareness about the value of night school education.

A total of 999 students were enrolled during this phase. Additionally, 64 out of 100 night schools have entered the 'safe zone,' achieving strong and stable enrollment numbers due to Masoom's effective outreach efforts.

The drive's success was further amplified by increased social media visibility and continued local stakeholder support, reinforcing Masoom's commitment to building inclusive, accessible learning opportunities for underserved communities across Maharashtra.

This progress is more than just numbers. It reflects growing belief in second chances, lifelong learning, and the power of education to transform futures.

Exciting Expansion: Grade 12 ELCs Launched in Pune

We're excited to announce the launch of two new Grade 12 Arts-based ELCs in Pimpri and Janta Vasahat, joining the already established Yerwada Grade 12 ELC in Pune.

This expansion meets the growing need for students progressing beyond Grade 10 and seeking flexible, supportive pathways to complete their higher secondary education.

Operating from 6 PM to 9 PM, Monday to Saturday, these centers offer the ideal learning environment for working youth and school dropouts to pursue their Grade 12 studies. With 11 Grade 10 students in Pune already transitioning into higher education, these new ELCs will ensure even more students are empowered to stay on their academic journey.

By expanding our reach, Masoom continues to empower students in their educational journey, enabling them to pursue their dreams and build brighter futures.

ELC Enrollments: Strong Momentum in 2025-26

Enrollment efforts for the 2025-26 academic year are progressing steadily across all 29 ELCs, including the dedicated LGBTQIA+ ELC. With a collective target of 2,580 learners (90 per center and 60 for the LGBTQIA+ center), outreach teams have been working closely with communities to identify and support potential learners.

As of April, 1,109 learners have been successfully enrolled. This early progress highlights the impact of focused community engagement and the dedication of field teams and volunteers. Each new enrollment brings us a step closer to ensuring that every learner has access to flexible, quality education.

Efforts will continue in the coming months to reach full enrollment across centers and create opportunities for those who've long been left behind by the traditional education system.

Masoom Inaugurates Incubator & Skill Center in Dahisar, Mumbai

On April 30, 2025, Masoom proudly inaugurated its latest milestone initiative—The Masoom Incubator and Skill Center in Dahisar, Mumbai. Located at Shop No. 2, Daffodils CHS Ltd., Opp. Zen Garden, Kanderpada, this center marks a bold step in expanding skill-based learning opportunities for night school students.

The inauguration was graced by His Grace Dr. Yuhanon Mar Meletius of St. George Orthodox Syrian Church, Borivali, as Chief Guest, along with Fr. Koshy George and Ms. Madhulika Jawa as Guests of Honor. The event welcomed 30 attendees, including Masoom team members, church representatives, and students.

In his address, His Grace applauded Masoom's commitment to empowering underserved youth through education and expressed his heartfelt wishes for the Center's success.

This new Skill Center is envisioned as a dynamic hub of hands-on learning, entrepreneurship, and empowerment, equipping learners with the skills they need to build brighter futures.

Mini Job Fair: Bridging Education and Employment

In April 2025, Masoom's Career Cell organized three Mini Job Fairs at its Dadar center to connect night school alumni with meaningful employment opportunities. These fairs were vital in bridging the gap between education and employability.

A total of 47 alumni from Masoom-supported night schools participated, exploring openings for roles such as Accountant, Mobilizer, Placement Officer, SSC Coordinator, Program Manager, Admin Executive, Fundraising Officer, MIS Executive, and Office Boy—all requiring qualifications of SSC and above.

By facilitating direct access to recruiters and relevant job sectors, the fairs strengthened Masoom's commitment to supporting students beyond the classroom, providing real-world pathways to stability, dignity, and long-term growth.

Tech on Wheels

Certification Ceremony at Red Boys Foundation, Bandra

Masoom proudly celebrated the achievements of 18 students at a Certification Ceremony hosted by the Red Boys Foundation in Bandra. The event recognized their commitment, discipline, and successful completion of the Advanced Computer Course.

Students expressed heartfelt appreciation for the program and strong enthusiasm for Masoom's Tech on Wheels initiative, emphasizing how mobile access to technology and digital skills unlocks new learning possibilities.

This success was made possible by the collective efforts of our dedicated facilitators, supportive partners, and the students whose drive continues to inspire us. Together, we are building pathways to opportunity, independence, and a more equitable future—one skill at a time.

Stories That Inspire

Triumph Over Adversity: Taufeeq's Inspiring Journey from Student to Educator

Mohammad Taufeeq Munna Ali, a resilient 21-year-old from Kurla, Mumbai, grew up in a family that faced financial hardships, with an unemployed father and a mother tirelessly managing the household. Taufeeq felt the weight of responsibility at an early age. He took on work to support his family while navigating the challenges of education.

Things looked up when Taufeeq joined the Masoom-supported W.E.S. Urdu Night School after studying in a madrasa. During this pivotal time, Masoom stepped in with critical support, providing nutrition, stationery, extra classes, and career guidance. These timely interventions not only bolstered his academic journey but also reignited his hope for a better future, helping him successfully complete his 10th standard.

With ongoing encouragement, Taufeeq took another significant step by enrolling in the Refrigeration and Air Conditioning Technician course at the Don Bosco Industrial Training Institute through Masoom's Career Cell. Yet another turning point for him.

Today, Taufeeq works as a skilled technician. He also conducts AC repair classes at the Municipal Jogeshwari Koliwada School in Jogeshwari, Mumbai. His income helps sustain his family, showcasing how far he's come from those early struggles.

"My dream is to pursue a diploma through distance learning and keep growing," he says.

Taufeeq's story is a powerful reminder of how education and technical training can truly uplift individuals and change the course of their lives, paving the way for a brighter future.

Second Chances: Durga's Inspirational Story to Independence

At 48, Durga Nathuram Thakare was determined to rewrite her story. A single parent living in Dombivli with her son, she had long dreamed of starting her own food business but faced barriers of education, skills, and finances. Life had not been easy, but she never gave up.

That's when Masoom stepped in. Through its supportive education initiative, Durga completed her 8th to 12th standard, receiving free books, stationery, and encouragement every step of the way. Recognizing her entrepreneurial potential, Masoom enrolled Durga in a Business Training Course, assisting her with market and rental surveys, and providing seed funding of Rs. 1 Lakh to launch her venture.

Today, Durga runs a thriving home-based food business in Pallava City, earning between Rs. 20,000 and Rs. 30,000 per month. As the sole breadwinner, she has become a role model for her son.

"Masoom encouraged me when no one else did. They gave me the confidence to study again and start a business I could call my own," says Durga.

Durga's journey illustrates that with the right support, second chances can lead to remarkable success stories.

Support Masoom and help more individuals like Taufeeq and Durga take charge of their futures.
